

DIRECTIONS

LEARN MORE ABOUT HOW TO GET HERE

ADDRESS: 56001 MURDOCK ROAD, NAVIN, MB

It is common for certain GPS models to not recognize the above address. If your GPS does not accept the above address and will often route our campers to the opposite end of Murdock Rd from us. If this is the case, try changing your city to "Dugald" and enter in 870 Murdock Road. Some GPS models also have us categorized in Springfield, MB.

SOME BASIC DIRECTIONS IN CASE YOUR GPS DEVICE REALLY DOESN'T LIKE OUR ADDRESS! (THIS IS A COMMON ISSUE IF YOU ARE NOT USING GOOGLE OR APPLE MAPS):

If you're coming from the East on highway 1 (TransCanada hwy)

– Stay westbound on the #1 hwy and turn left onto Murdock Rd. Continue south on Murdock Rd, campground will be on the left, past the Tinkertown Amusement Park and (what used to be) Fun Mountain Waterpark.

If you're coming from the West on highway 1 (TransCanada hwy)

– Once you're within Winnipeg city limits, you will see an exit for the Perimeter Hwy (also called the Bypass 100). Take the exit for this hwy going towards Kenora. Stay on this hwy (for about 30-40 minutes) *the turn-off for Murdock has recently been closed, so when coming from the perimeter highway, you will now have to continue past Murdock Rd and take the exit for the #1 hwy West/Fermor Ave and you will turn left onto Murdock Rd. Continue south on Murdock Rd, campground will be on the left, past the Tinkertown Amusement Park and (what used to be) Fun Mountain Waterpark.

If you're coming from the US on Highway 75 (Pembina Highway)

– Once you're within Winnipeg city limits, just past St. Norbert, you will see an exit for the Perimeter Hwy (also called the Bypass 100). Take the exit for this hwy going East to Kenora. Stay on this hwy (for about 20-25 minutes) *the-turn off for Murdock has recently been closed, so when coming from the perimeter highway, you will now have to continue past Murdock Rd and take the exit for the #1 hwy West/Fermor Ave and you will turn left onto Murdock Rd. Continue south on Murdock Rd, campground will be on the left, past the Tinkertown Amusement Park and Fun Mountain Waterpark.

-Alternatively, you can also turn left onto Symington Rd off the Perimeter Hwy, followed by an immediate right turn onto Jackson Road (this is a gravel service road that runs parallel to the Perimeter) which will end at Murdock Road (paved), where you will turn left and then in about 400 meters, be able to turn right directly into the campground.
